

Henderson "HOLLERS" Fall Edition 2018

Greetings!

We appreciate you receiving our newsletter via email. The savings created by this are an additional gift to Henderson Settlement. Thank you for your support.

Leadership Changes

I would like to share with you some recent changes in leadership at Henderson Settlement, and to share with you a bit about our future direction.

In May of this year, David Lyons left the Settlement to pursue other interests. [Read More...](#)

Matching Gifts - 2018

We are in the midst of our matching funds campaign for 2018. Within this effort, we have churches and individuals who come together to provide a pool of money to be offered up as a dollar-for-dollar match against the unrestricted donations received by the Settlement from other donors. [Read More...](#)

Christmas Donations

Henderson Settlement is blessed with a group of faithful supporters who rally each year to provide the resources, money and gifts used in our annual Christmas programming. We have been so blessed in past years that we are already fully funded to cover the financial portions of this year's event. [Read More...](#)

Work Camp 2019

We have another exciting year planned for 2019 , including some priority projects on our campus (see back page of the newsletter), and numerous greatly needed community home improvement projects. We are making a few changes for 2019 that we want to share with you: [Read More...](#)

Are You Watching US!

We are posting Live on FaceBook every Thursday at

The Settlement Leadership Team has selected three facilities focus areas for 2019. These areas represent facilities challenges that we believe we can, and must address in the near term. [Read More...](#)

- First, we plan to re-engineer our current Food Pantry/Senior Commodities
- Second, we will redesign the layout of the White Oak Center
- Third, we will begin the re-design, and renovations to move our Administration and Work Camp office

Take a Look at our Newest Addition to the Greenhouse Operation

We are pleased to announce that the "High Tunnel" greenhouse is installed and has passed its final inspection.

The high tunnel and irrigation system was paid for through a grant from the Natural Resources Conservation Service/USDA. [Read More...](#)

Click [HERE](#) for additional installation pictures.

Farm Plan

It is official...we have signed the contract with the USDA to recover and improve our cow-calf agricultural program! This 3-year improvement effort involves funding to finance new fencing to enable efficient rotational grazing practices, watering installations required by the new grazing

1:00pm. (The time may vary slightly so watch for updates & reminders.)

We are also posting them on YouTube for those of you who do not have FaceBook pages.

practices, weed control, seeding and fertilization to improve the condition of our pastures, and technical support to improve herd management. [Read More...](#)

History: In The Beginning - 1928

A 4-H Club with 28 members has been organized and is attracting attention of the county and state officials. This is the first club to be organized in the county.

Unbelievable records have been made.
