

Henderson "HOLLERS" Winter Edition 2019

Dear Trinity Morristown United Methodist Church,

We appreciate you receiving our newsletter via email. The savings created by this are an additional gift to Henderson Settlement. Thank you for your support.

Welcome New Board Members

Each November, several new Board members are nominated and elected to service. This year, we would like to thank the following individuals for their willingness to serve on our Board and to briefly introduce them to our family of Settlement supporters. [Read More...](#)

Get Acquainted with Henderson Settlement

Henderson Settlement held its first retreat on November 1st thru 3rd, 2018. We created the event to determine if this would be a good way to connect with individuals new to the mission and ministries of the Settlement.

The event was very successful, establishing a number of future possibilities to partner in ministry, as well as several commitments for new work teams to visit with the Settlement in the coming year.

Based upon this success, we will repeat the event this coming Spring, May 9th thru the 11th. [Read More...](#)

Designated Gifts

Many of us believe that we can best support a specific Henderson Settlement ministry area by making a designated gift in support of that ministry. While this type of gift sends a welcome and strong signal that there is support for the work that is being done, a restricted gift can frequently be somewhat counterproductive. [Read More...](#)

Program Results \$\$\$

Thanks so much to all of you who chose to participate in our Matching Gifts program for 2018!

Contributions qualifying to be matched were a bit more than \$102K! This was an amazing response, far beyond our past experience. We believe that this is in part due to the fact that we announced the program early, which expanded the time period to respond. [Read More...](#)

Work Camp 2019

We are excited to kick off a new year of Work Camp operation at the Settlement. This year, we have several community projects representing critical needs for the applicant families. We are highlighting these needs in the project listing to help place priority on their adoption for 2019. Additionally... [Read More...](#)

Why go back empty when you can turn it into a fundraiser for your church or Henderson Settlement. Consider hauling back a load of plants on your return trip. Call or email ahead with your order and the date you will be arriving and we will send you back with flowers & veggie plants.

Where's The BEEF!

For a number of years, the Settlement has been unable to sell processed beef within the community due to USDA regulations. However, this has recently changed. We now have a USDA-certified processing plant in Williamsburg, KY, that can cut, package, and label meat for local sales.

2018 Community Christmas Success!

We have completed our annual community Christmas programs for 2018. We wish to thank the committed volunteers who support these programs financially, by providing gifts for the community, and by personally participating in delivering the programs. There is no way we could execute the programs without their faithful support! Since many of us may never have the opportunity to participate in these events, I will try to describe the impact they have for our community families: [Read More...](#)
